

1. *The Village Family Service Center.* 107 W Main Ave. #350 in Bismarck
  - The mission of The Village Family Service Center is to help families and individuals improve their quality of life. Their services include individual and family counseling, childcare, mentoring and adoption services, as well as financial counseling. These services are available to participants at a reduced fee because of generous donor support.
2. *Children and Family Services Training Center.* 400 Oxford Street. Research Room #320 in Grand Forks
  - At the Children and Family Services Training Center the goal is to provide training for child welfare. They are funded by the North Dakota Department of Human Services Division of children and Family Services, and help provide training of child welfare to practitioners and foster parents.
3. *North Dakota Department of Human Services.* 600 E. Boulevard Ave. #325 in Bismarck
  - The Department of Human Services provides help for people of all ages to improve their way of living. This includes resources for financial and emotional crises, disabling conditions, and personal safety. DHS focuses in support as close to home as possible to promote independence and to preserve the dignity of all people involved.
4. *Burleigh County Social Services.* 415 East Rosser Ave. Suite 113 in Bismarck
  - The desire for Burleigh County Social Services is to provide quality services that will improve the lives of citizens living in Burleigh County. In order to do so they value professionalism, efficiency, and being accessible. Using the resources they are trained to use, employees focus on the importance of continual growth and look to meet the challenges presented to them. Safety is a number one priority along with integrity, reliability, honesty, and fairness.
5. *The Kids Therapy Center.* 600 South 2<sup>nd</sup> Street. Suite 201 in Bismarck
  - At the Kids Therapy Center the focus is on improving the mental health of all children in need of their services. This could range from therapy after a recent trauma or a child going through the divorce of their parents. Methods of conducting this therapy include individual therapy, group therapy, mental health services, parent child therapy, and parenting classes.
