Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
General Comments:	Beau has been a positive and natural addition to our classroom. He has been thorough with his lessons and related the information in way that the children understand. He is kind with his comments and has shown genuine interest in the students. They feel like he cares and wants to be there. Beau has brought creativity beyond just the requirements. Beau comes across professional, yet "real". His mannerisms seem more like a student teacher than a practicum 1 student.
