General Comments:	Beau did a wonderful job of fitting into our classroom and following procedures and expectations that promote learning in a positive and respectful manner. He was always prepared, helpful, kind to the children, professional throughout the school, and punctual. When he said he would do something, I trusted that he would. He came and spent time with the class when it wasn't required just to maintain a positive relationship with them. The class respected and cared for Beau. They took a genuine interest in him just as he did in all of them.
